

Solid Wall Panel NAMOO®

Solid Wall Panel

NAMOO®

NAMOO Panel in Serang, Indonesia.

NAMOO Panel was providing wall coverings with multi materials.

a new product line introduced to **NAMOO** Panel category wall covering. An idea come out from **NAMOO** Panel: Is it possible to do something with these woods ? After did homework about the wood of those product.

NAMOO Panel found that it's perfect natural material to make decorative things. Wood formed the character of solid, anti-pest and water-proof, such character are endowed with the meaning of peace and safety of house.

NAMOO Panel started to find old product and made mosaics from the wood.

NAMOO Panel use different ways to make sure the high-end quality of Wood Panel.

Raw material with FSC certificate

Carbonation

All flich will do carbonation before cutting. This action will lead the wood water absorption rate under a certain low level.

Eco-friendly accessories

Sherwin-Williams Painting

HDF/MDF with E0 grade

Now, these new series wood panels are popular in South Korea, United States, Japan and U.A.E.

NAMOO Panel will keep provide high quality wall coverings to customers by continues efforts.
